CALL FOR POSTERS!

The poster is to showcase work you have done or posters that you have presented locally or nationally. Because of the acceptance of new and previously viewed posters there will not be strict limits on size or subject matter.

The purpose of the poster display and discussion is to share the work of the Minnesota NACNS group with each other. Send abstracts (300 word limit) electronically to:

Penny Messner

Email: Messner.Penny@mayo.edu

Deadline for submissions:

September 5, 2017

CNS faculty and student posters are welcome!!!

Continuing Education Credit

Participants who attend all sessions on Friday will earn 6 accredited (ANCC) nursing contact hours or 6 contact hours as defined by the Minnesota Board of Nursing. Of those hours, 1.75 hours can be applied to pharmacology continuing education requirements. Nursing Professional Development at the University of Minnesota Medical Center is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Minnesota Affiliate of the
National Association of
Clinical Nurse Specialists

2017 Annual Meeting & Conference

Growing Stronger Together: Influence of the Clinical Nurse Specialist

October 27, 2017

Radisson Hotel in Roseville

7:30am to 4:00pm

Preconference: October 26, 2017

Radisson Hotel in Roseville

6pm to 9pm. **INCLUDES :**

1 Pharmacology Contact hour

Audience and Objectives

TARGET AUDIENCE

This conference is designed for CNSs practicing in medical centers, clinics, community settings, and private practice; for administrators who employ CNSs; and for faculty and students of CNS programs.

Objectives

Here is a sample of objectives:

- List medications used in the prevention and treatment of delirium and evidence for their use.
- Describe moral distress with its impact on the broader community.
- Identify CNS roles and strategies to facilitate equitable transitions across the continuum of care.
- Explain the importance and antimicrobial resistance and strategies to avoid it.
- Discuss current indications for use of ketamine both in and out of the ICU.
- Apply strategies to embrace and enjoy one's journey in development as a CNS.

Please note: Conference registration & payment must be received by Friday *October 13, 2017*. Registration after *October 13, 2017* may result in limited accommodations.

PRECONFERENCE SPEAKER

Preconference will start at 6pm and has a pharmacology speaker on the topic of **Drugs in Delirium: Helpful or Harmful?** Afterwards there will be networking opportunity. There is 1 pharmacy contact hour associated with the speaker.
